

White Hall School District

The tentative testing dates for the 2018-2019 school year have been set. This calendar includes the required assessments at grades K – 12. All testing must take place during the dates established in the charts below.

Dynamic Learning Maps (DLM), the new alternate assessment, will be administered to qualifying students in each grade, 3 – 10. Math and ELA will be administered in windows throughout the year. Science will be administered one time in the spring. The DLM testing windows will be published when finalized.

**White Hall School District
(3-12) Testing Calendar 2018-2019**
